

# **\*Number 1\*** Positions & Actions Highest **\*At Risk\*** Behaviour for Valley Contractors

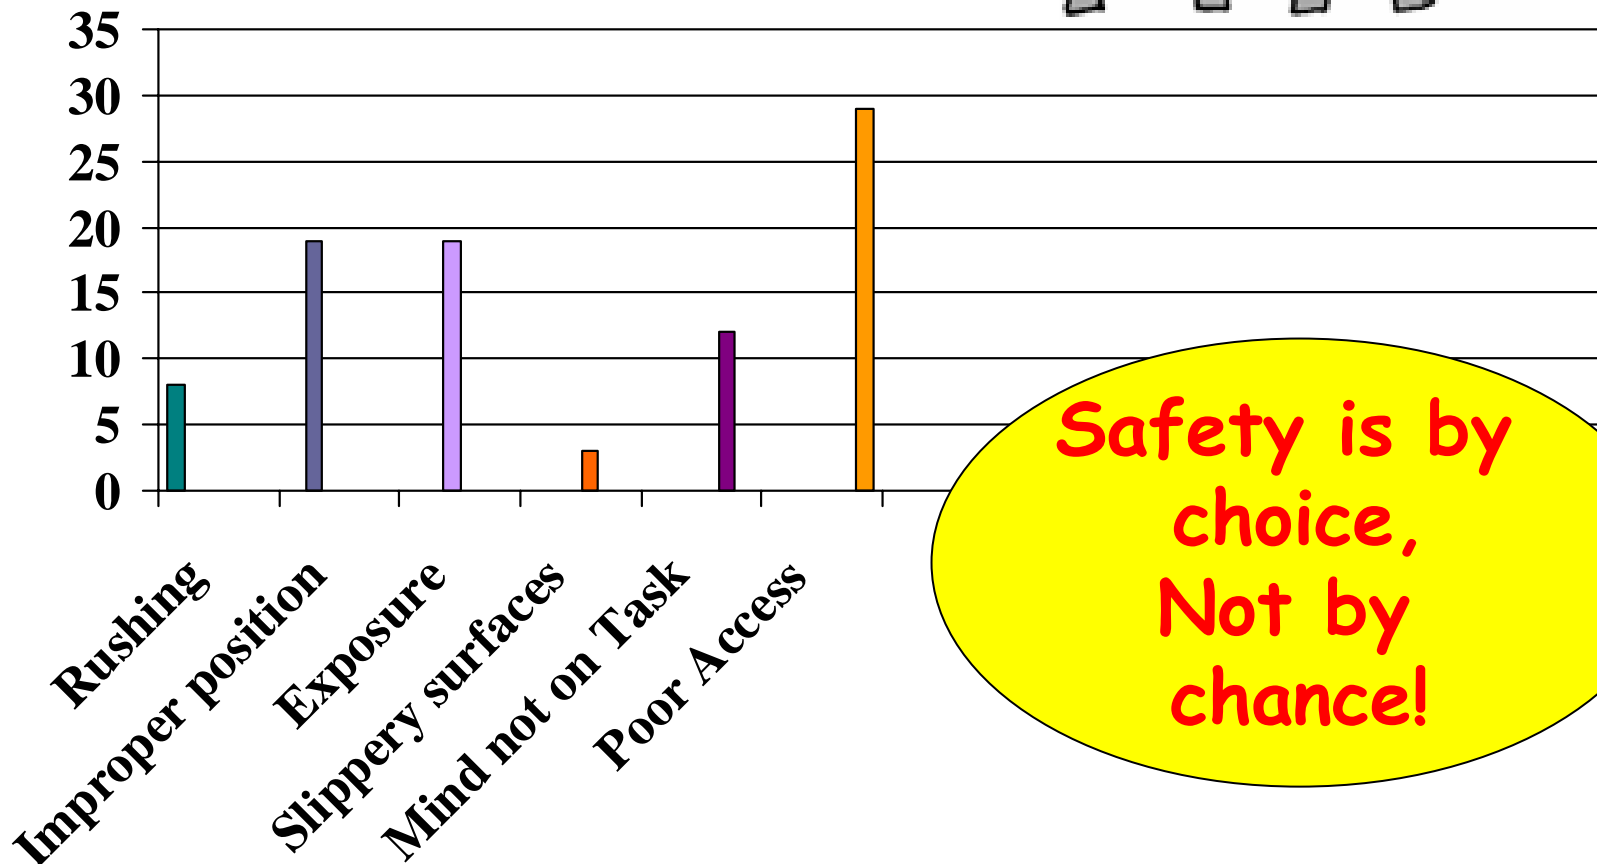

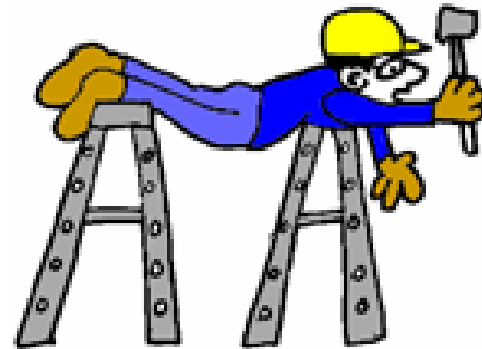

- **Consider all the angles**
- **Awkward positions lead to unsafe conditions**

# Positions & Actions

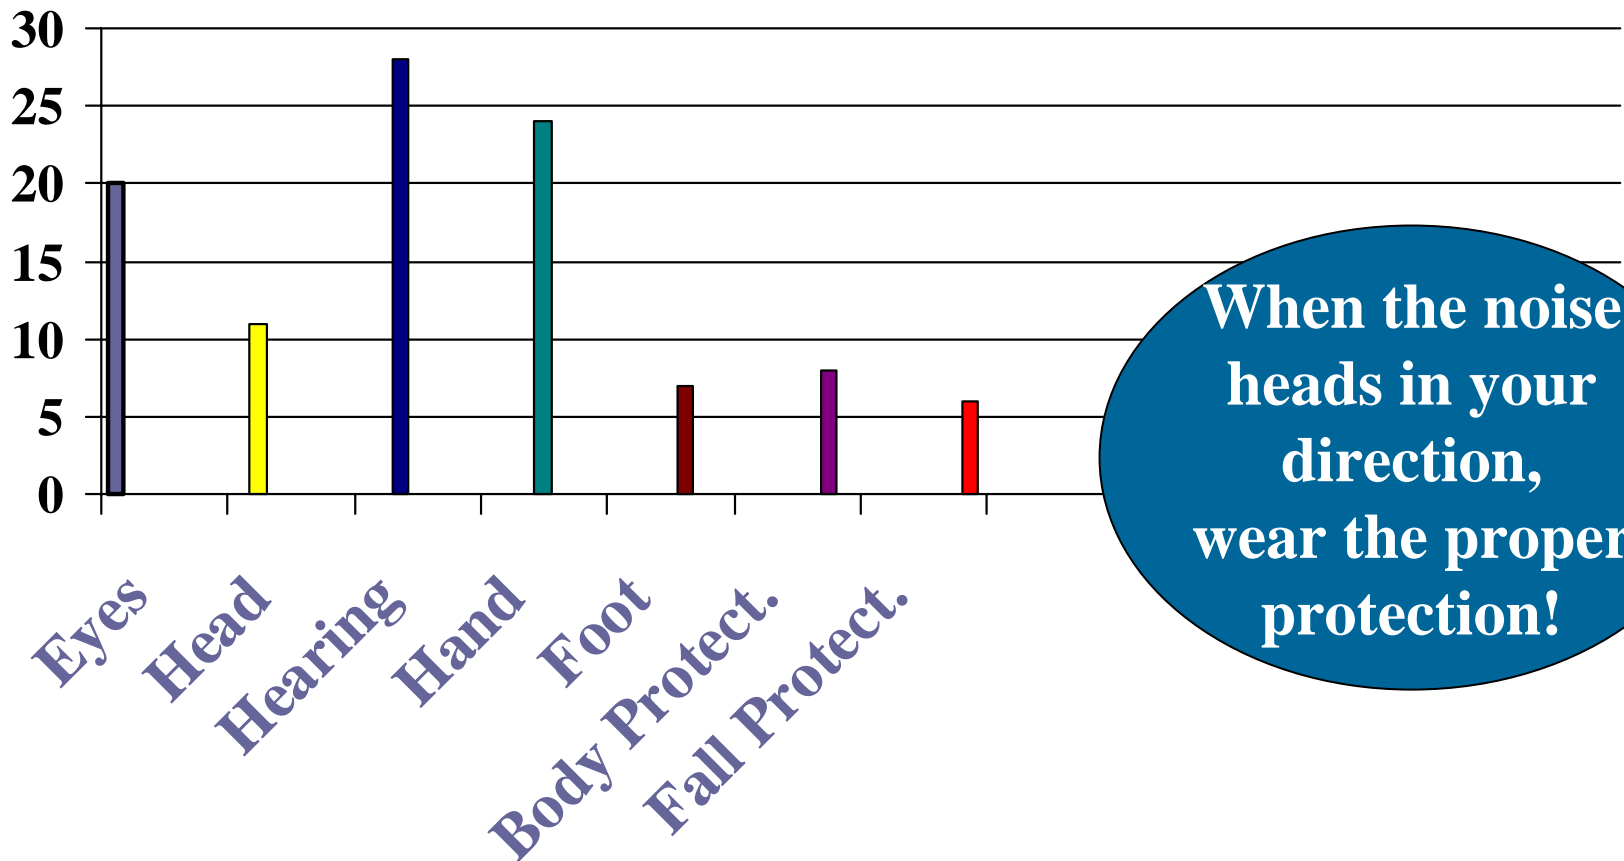

May 2002

For Valley Contractors

**Safety is by  
choice,  
Not by  
chance!**

# Personal Protective Equipment # 2 at risk Behaviour! May 2002 for Valley Contractors

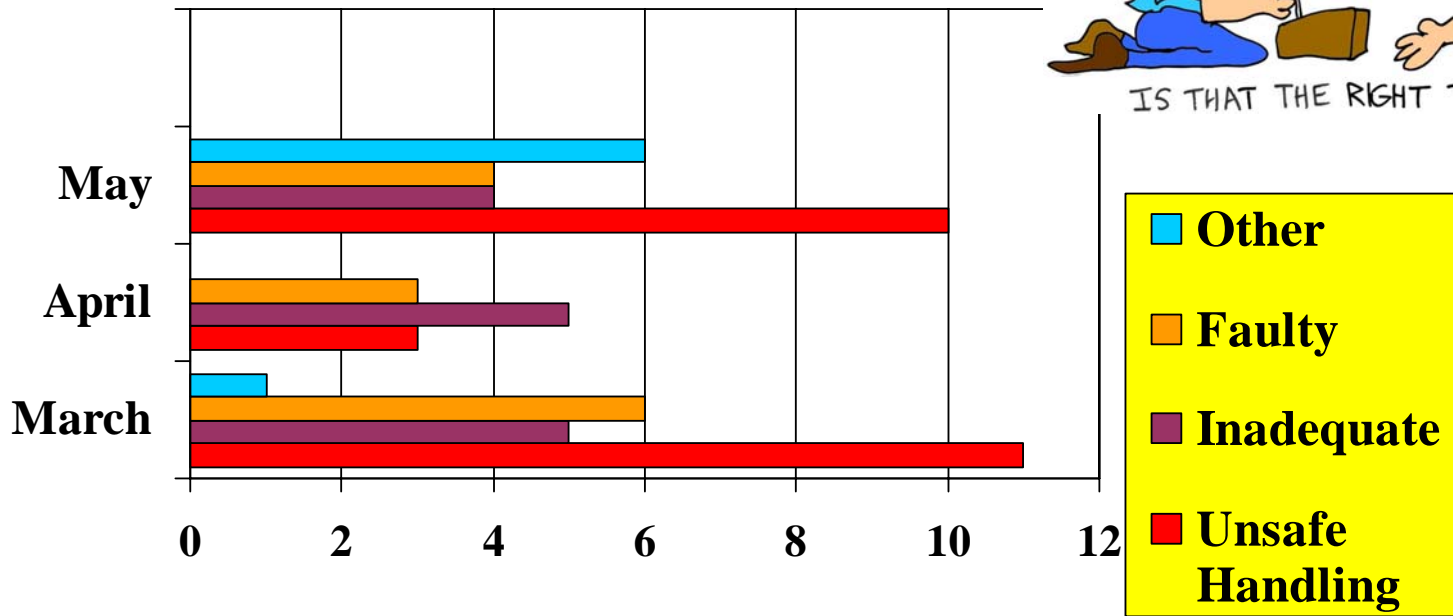

When the noise  
heads in your  
direction,  
wear the proper  
protection!

# Valley Wide May 2002

#4 (& rising) at risk Behaviour

\* Equipment \*

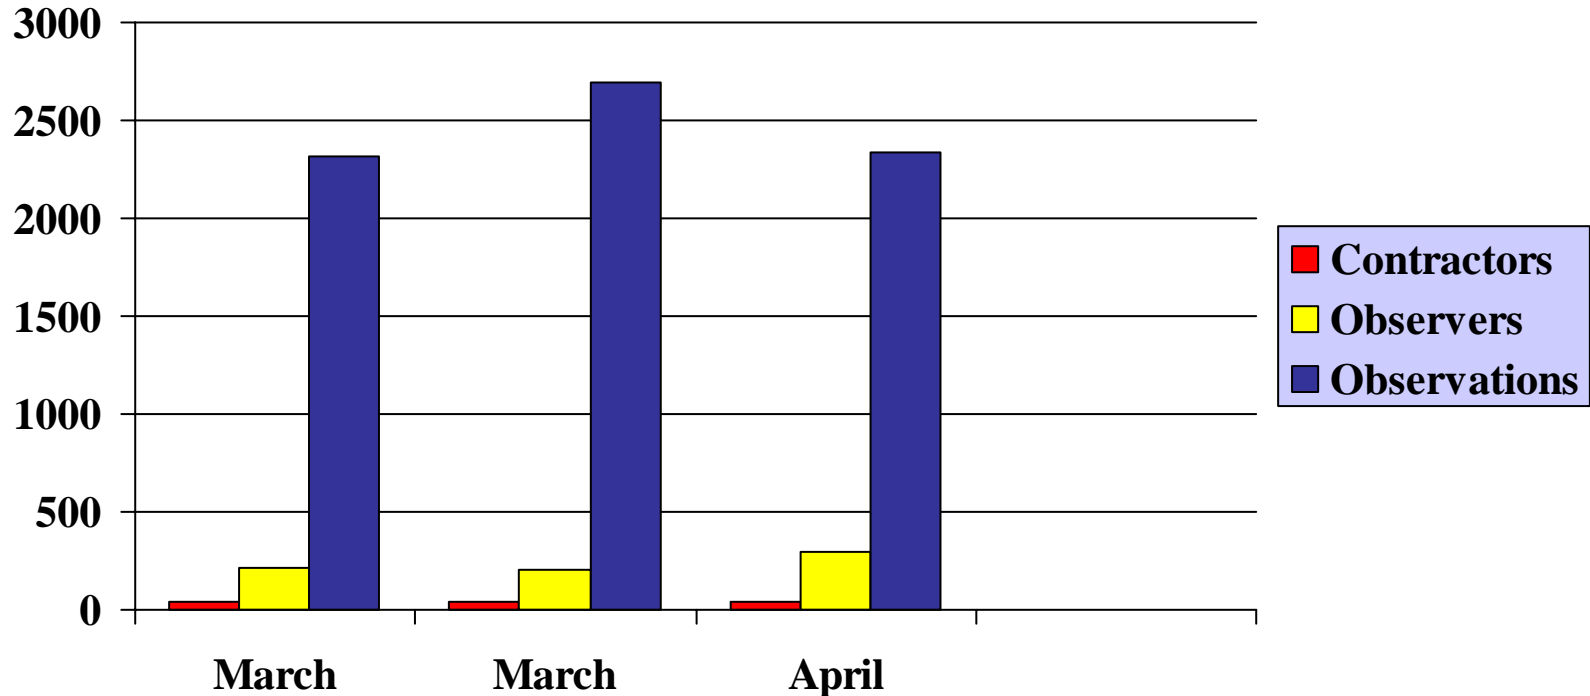

- As a rule, safety's always your #1 tool!
- Hammer safety home.

# Contractors submitting data

**Mar. Companies-43/Observers-219/Observations-2315**

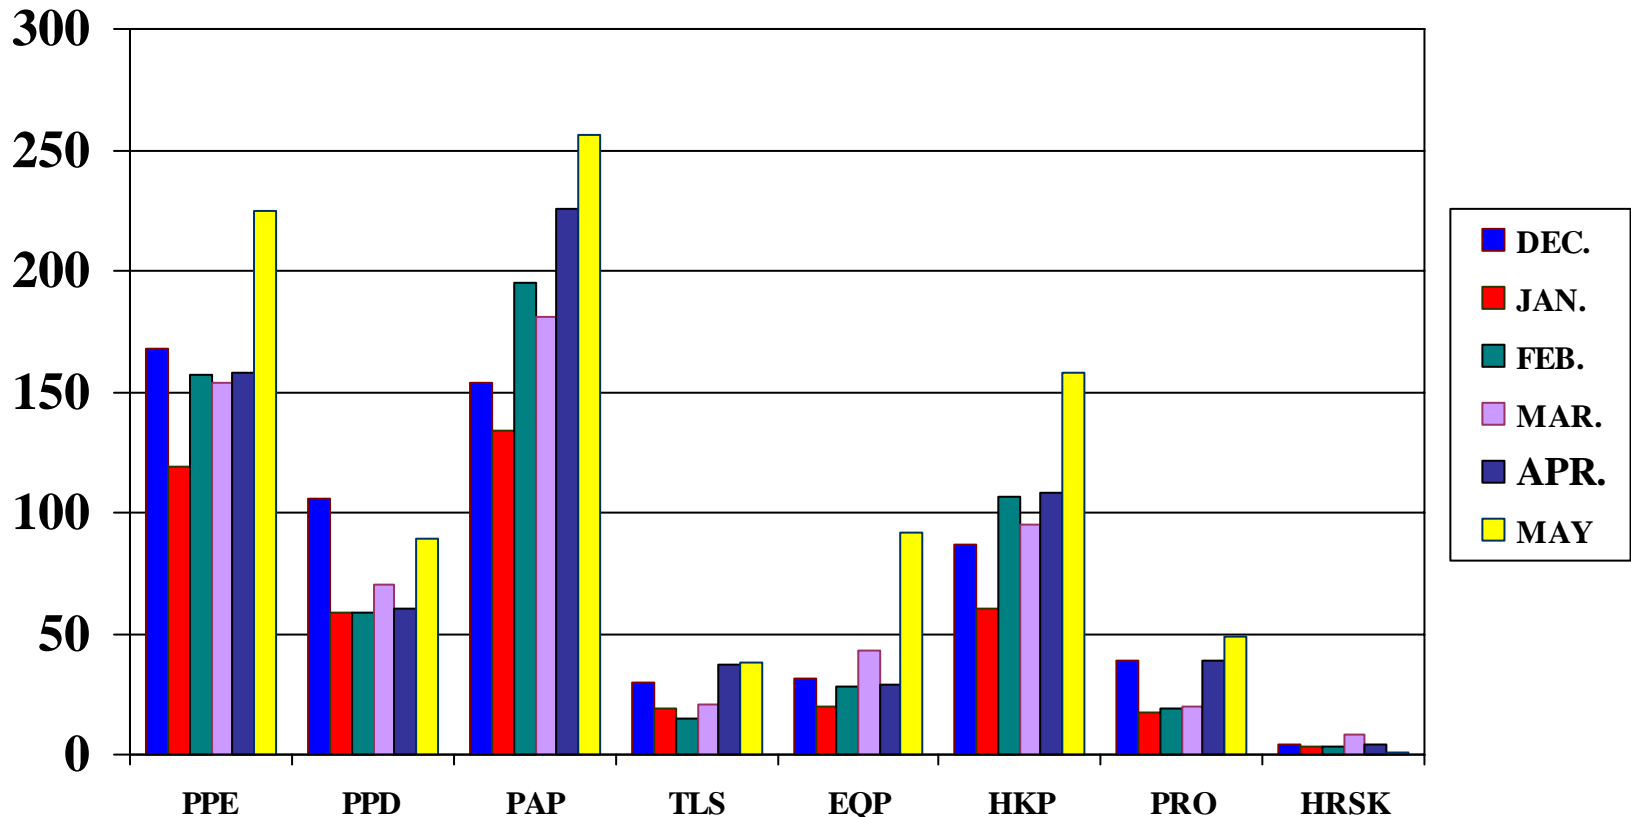

**Apr. Companies-40/Observers-200/Observations-2693**

**May Companies-49/Observers-329/Observations-2467**

**\*More\* companies then ever are submitting data,  
we still want MORE!  
Observers are UP! Keep up the good work**

# 6 Month Observation Breakdown Contractor Submitted Data

**Focus on the Hazards - - - do a TASC  
Top at Risk - PAP, PPE, HKP & EQP!**
